

The website, Vael In, and Vael Out.

One website. Two ways in. Vael In is for someone available to work. Vael Out is for someone looking for a person.

THE WEBSITE

Start on the public site.

These links sit at the top of the home page, Districts, Projects, and Community. No account is needed to look around.

Go Visible

To enter Vael In or Vael Out, choose **Go Visible**.

GO VISIBLE

What are you here to do?

Select one card, then press Next.

VAEL IN

I'm available for work.

Next opens account creation, then the Vael In setup.

VAEL OUT

I'm looking for someone.

Next opens account creation, then the Vael Out setup.

A third card, Opportunities, posts a home job without an account. It is not Vael In or Vael Out.

I'm available for work.

This path is for the person offering skills and availability. Follow it from the website.

1 Go Visible

On the website, press the orange Go Visible button.

2 Vael In

Select "I'm available for work."

3 Next

Create an account: name, email, phone, and password.

4 Welcome

Continue into profile setup.

5 Your VAEL identity

Handle, how you will use VAEL, and your district.

6 Build your profile

Name, photo, location, and what you do.

7 What you can do

The work you take, how you work, and whether you are available now.

8 Review

Edit any section, then go visible.

YOU LAND HERE

Hey Vael In

The dashboard shows your availability, your district, and people who are hiring. This account does not use the Vael Out hiring steps.

Where the work is based.
- 7 Requirements**
Optional skills or certifications.
- 8 Timing**
When you need someone.
- 9 Additional details**
Optional. Then review and post.

YOU LAND HERE

Hey Vael Out

The dashboard shows people who match what you are hiring. The orange button is Create an Opportunity. This account does not use the Vael In availability steps.
